68559 LAURETTE TUFTED OTTOMAN

We gravitate toward pieces that multi- task with style, and Laurette does exactly that. Shifting with ease from occasional table to extra seating to comfortable footrest, the sturdy oak frame is styled with tapered legs, a bottom storage shelf and comfortably padded top with tufted linen upholstery. Available in two sizes, the large ottoman looks lovely at the foot of a bed, while the small squares can be merged in pairs - or even a quartet - to create an impressive coffee table. We've given the wood a limed finish for the wonderfully weathered patina of age.
